Local structure plan

No subdivision, building or works may take place before the land to be developed is included in a local structure plan prepared to the satisfaction of the responsible authority. The local structure plan must be generally consistent with the Pakenham West Comprehensive Development Plan, 1 September 2005.

With the agreement of the responsible authority, the local structure plan may be prepared in stages and may comprise one or more separate plans or other documents. The local structure plan must show, as considered appropriate by the responsible authority:

- The proposed use and development of each part of the land.
- The staging of development.
- The relationship of the land to existing or proposed land uses on adjoining land.
- Population targets.
- A range of housing types and lot sizes, including areas proposed for medium-density housing.
- Proposed open space and recreation facilities, including pedestrian and bicycle paths.
- Proposed retarding basins, lakes and watercourses, and the means by which these will be managed and water quality maintained.
- Proposed commercial and community facilities.
- The proposed layout of major roads and streets, including major traffic control infrastructure.
- Proposed public transport facilities, including the location of the proposed railway station which must allow for appropriate access provision from the land and adjoining land to the south.
- Physical and community infrastructure, including arrangements for their provision and funding. This must include a trunk sewer to service the land and other proposed residential zoned land in the vicinity.
- An overall landscape concept.
- Urban design principles for energy efficiency, community safety and environmental sustainability.

The local structure plan must be referred to the Roads Corporation for comment and may be amended to the satisfaction of the responsible authority.

The use and subdivision of land, construction of buildings and construction and carrying out of works must be consistent with the local structure plan.

Application requirements

An application to construct a building or construct or carry out works must be accompanied by the following information, as appropriate:

- A plan drawn to scale which shows:
 - The boundaries and dimensions of the site.
 - Adjoining roads.
 - The location, height and purpose of buildings and works on adjoining land.
 - Relevant ground levels.
 - The layout of existing and proposed buildings and works.
 - All driveways, car parks, pedestrian paths and loading areas.
 - Proposed landscape areas.
 - All external storage and waste treatment areas.

- Areas not required for immediate use.
- Elevation drawings to scale showing the colour and materials of all buildings and works.
- Construction details of all drainage works, driveways, and vehicle parking and loading areas.
- A landscape layout which includes a description of vegetation to be planted, the surfaces to be constructed, site works specifications, and the method of preparing, draining, watering and maintaining the landscape area.

Medium-density housing and residential buildings

An application for any of the following must be accompanied by a neighbourhood and site description and a design response as described in Clause 54.01 or Clause 55.01 (as appropriate):

- To construct or extend one dwelling on a lot of less than 300 square metres.
- To construct a dwelling if there is at least one dwelling on the lot.
- To construct two or more dwellings on a lot.
- To extend a dwelling if there are two or more dwellings on the lot.
- To construct or extend a residential building.

Satisfactory neighbourhood and site description

The responsible authority must inform the applicant in writing before notice of an application is given or, if notice of the application is not required to be given, before deciding the application that the neighbourhood and site description meets the requirements of Clause 54.01-1 or Clause 55.01-1 (as appropriate) and is satisfactory or does not meet the requirements of Clause 54.01-1 or Clause 55.01-1 (as appropriate) and is not satisfactory.

If the responsible authority decides that the neighbourhood and site description is not satisfactory, it may require more information from the applicant under Section 54 of the Act.

The responsible authority must not require notice of an application to be given or decide an application until it is satisfied that the neighbourhood and site description meets the requirements of Clause 54.01-1 or Clause 55.01-1 (as appropriate) and is satisfactory.

The above requirements do not apply if the responsible authority refuses an application under Section 52(1A) of the Act.
