The capital cost for each infrastructure item will be adjusted by applying the Building Price Index, as published in the latest edition of Rawlisons Australian Construction Handbook on 1st January and 1st July each year;

The land values for each infrastructure item, where applicable, will be adjusted on 1 July each year following site specific land valuations undertaken by a registered valuer.

The Community Infrastructure Levy (CIL) payable under this Development Contributions Plan (DCP)

Section 46L of the *Planning and Environment Act 1987* sets the maximum CIL amount that can be collected under an approved DCP

If the maximum amount of the CIL which may be collected under an approved DCP is varied under section 46L of the *Planning and Environment Act 1987*, the collecting agency may adjust the amount of the CIL payable under this DCP in accordance with section 46L of the *Planning and Environment Act 1987*.

If the collecting agency adjusts the amount of the CIL payment under this DCP, the collecting agency will publish the adjusted amount of the CIL payable under this DCP on its website.

Note: This schedule sets out a summary of the costs and contributions prescribed in the development contributions plan. Refer to the incorporated development contributions plan for full details
