SCHEDULE 1 TO THE DEVELOPMENT PLAN OVERLAY

Shown on the planning scheme map as DPO1

1.0

19/01/2006
VC37

Requirement before a permit is granted

A permit may be required prior to the approval of a development plan, but only for extensions or alterations to existing buildings, works or uses.

2.0

19/01/2006
VC37

Conditions and requirements for permits

The development plan must include, where appropriate, a subdivision concept plan showing integration of all lots within the development plan area.
