4.0**Buildings and works**

07/06/2018
C197

No permit is required to construct a building or construct or carry out works for the following:

- A building or works generally in accordance with the Greater Shepparton Planning Scheme Tatura Milk Industries Master Plan 2011.
- A building or works which rearrange, alter or renew plant if the area or height of the plant is not increased.

All buildings and works must be maintained in good order and appearance to the satisfaction of the responsible authority.

A building or works generally in accordance with the *Greater Shepparton Planning Scheme Tatura Milk Industries Master Plan 2011* must be constructed or carried out in accordance with the following plans, as appropriate, prepared to the satisfaction of the responsible authority:

- A **Design Plan** drawn to scale showing:
 - The boundaries and dimensions of the site.
 - Adjoining roads.
 - The location, height and purpose of buildings and works on adjoining land.
 - Relevant ground levels.
 - The layout of existing and proposed buildings and works.
 - Driveways, vehicle parking areas and loading and unloading areas.
 - Proposed landscape areas.
 - External storage and waste treatment areas.
 - Elevations, including the colour and materials of all buildings and works.
- A **Stormwater Management Plan** specifying details of how stormwater runoff will be conveyed into existing drainage works.
- A **Construction Management Plan** specifying the measures proposed to ensure that construction activity has minimal impact on surrounding areas.
- A **Fencing Plan** showing details of boundary fences, including the height, location, design and treatment of the fences.
- A **Landscape Plan** describing the vegetation species to be planted, the number of trees, planting formations, earth mounding, surface treatments and the method of preparing, draining, watering and maintaining the landscape areas.
- A **Traffic Management Plan** providing details on:
 - Vehicle, pedestrian and bicycle access points at the property boundaries.
 - The location and treatment of circulation areas, driveways and other accessways within and abutting the site.
 - The location, layout and treatment of all vehicle and bicycle parking areas and loading and unloading areas within and abutting the site.
- An **Environmental Management Plan (EMP)** showing the measures proposed to satisfy all relevant environmental requirements to ensure minimal impact on surrounding areas. The EMP must include all monitoring, auditing, reporting and mitigation measures that are relevant to the use and development of the land.
- A **Noise Reduction Plan** providing details on the expected levels of noise at the property boundaries and the ameliorating measures proposed to reduce the levels of existing noise.
- An **Air Emissions Reduction Plan** providing details on the expected levels of air emissions and the ameliorating measures proposed to reduce the levels of existing emissions.
- A **Staging Plan** identifying the likely sequence and timing of development and the obligations on the land owner to implement the landscaping and acoustic treatment requirements of the *Greater Shepparton Planning Scheme Tatura Milk Industries Master Plan 2011*.
- A **Heritage Maintenance Plan** identifying a regular maintenance program and the obligations on the land owner to implement scheduled works.

Before any of the above plans are approved for a building or works, the land owner must advise the responsible authority whether a Works Approval or Waste Discharge Licence is required from the Environment Protection Authority.

Except with the written consent of the responsible authority, the following must be constructed or carried out either before the occupation of an approved building or works; or within 24 months of the approval of Amendment C151 (whichever is the sooner).

- The landscaping in accordance with the Landscape Plan.
- The boundary fences in accordance with the Fencing Plan.
- The circulation areas, driveways and other accessways in accordance with the Traffic Management Plan.
- The drainage of the building or works in accordance with the Stormwater Management Plan.

The number of car spaces to be provided on the land for an industry for the manufacture of milk-related or allied food products or an associated warehouse must be to the satisfaction of the responsible authority.

An application to construct a building or construct or carry out works generally in accordance with the *Greater Shepparton Planning Scheme Tatura Milk Industries Master Plan 2011* is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act.

Before deciding on an application to use or subdivide land, construct a building or construct or carry out works or the approval of a plan prepared in accordance with the requirements of this schedule, in addition to the decision guidelines in Clause 65, the responsible authority must consider, as appropriate:

- The Greater Shepparton Planning Scheme Tatura Milk Industries Master Plan 2011.
- The views of the Environment Protection Authority on the Stormwater Management Plan, the Environmental Management Plan, the Noise Reduction Plan, the Air Emissions Reduction Plan and the Staging Plan.
- The effect that existing uses may have on the proposed use.
- The interface with adjoining areas, especially the relationship with residential areas.
- The interface with the streetscape, including the location of access points at the property boundaries and the landscaping of land adjoining a road.
- The design and elevation treatment of buildings and their appurtenances.
- The illumination of buildings and their immediate spaces.
- The interim use of those parts of the land not required for the proposed use.
- The drainage of the land.
- The availability of and connection to services.
- The effect of traffic to be generated on roads.
- Provision for vehicle and bicycle parking.
- Provision for the loading and unloading of vehicles.
- Provision for vehicles providing for supplies, waste removal and emergency services.
