Application requirements

An application to construct a building or construct or carry out works should be accompanied by four sets of plans drawn to scale which show:

- The boundaries and dimensions of the site.
- Relevant ground levels, to Australian Height Datum, taken by or under the direction or supervision of a licensed land surveyor.
- The layout of existing and proposed buildings and works.
- Floor levels of any existing and proposed buildings, to Australian Height Datum, taken by a licensed surveyor.

Referral of applications

An application to construct a building or construct or carry out works or an application to amend a permit does not have to be referred to the floodplain management authority if the application is accompanied by the relevant floodplain management authority's written approval. The written approval must:

- Be granted not more than three months prior to lodging the planning application with the responsible authority.
- Quote the reference number of the approved plans.
- State the applicable flood level and any required floor levels.
