Conditions and requirements for permits

A permit granted must include the following conditions, as appropriate to the application:

- A Section 173 agreement under the Act must be entered into between the responsible authority, the owners of the land and Melbourne Water to have a reticulated water supply available to all lots.
- A Section 173 agreement under the Act must be entered into between the responsible authority and the owners of the land to provide for traffic management works on Kelletts Road to be carried out at the cost of the owners of the land.
