C196**Use of land****Exemption from notice and review**

An application to use land is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act.

This exemption does not apply to an application to use land for a Function centre, Nightclub, Tavern, Brothel, Adult sex bookshop, Amusement parlour or Hotel.

**Decision Guidelines**

Before deciding on a permit application under this schedule the responsible authority must consider as appropriate:

- The State Planning Policy Framework and the Local Planning Policy Framework.
- The comments and requirements of relevant authorities.
- The existing and future use and amenity of the land and the locality.
- The impact the use will have on the amenity of existing dwellings and adjacent and nearby sites including noise emissions and how this impact is to be minimised.
- The provision of physical infrastructure and community services sufficient to meet the needs of the proposed use.
- The effect that existing uses may have on the proposed use.

#### Buildings and works

##### Permit Requirement

A permit is required to construct a building or carry out works.

This does not apply to:

- Alterations to a building authorised under the Heritage Act, provided the works do not alter the existing building envelope or floor area.
- The construction, or modification, of a waste pipe, flue, vent, duct, exhaust fan, air conditioning plant, lift motor room, skylight, security camera, street heater or similar minor works provided they are not visible from any street, lane or public place.
- Changes to glazing of existing windows with not more than 15% reflectivity.
- External works to provide disabled access that complies with all legislative requirements.
- Buildings or works carried out by or on behalf of Parks Victoria under the Water Industry Act 1994, the Water Act 1989, the Marine Act 1988, the Port Management Act 1995, the Parks Victoria Act 1998 or the Crown Land (Reserves) Act 1978.
- Buildings or works for Railway purposes.

##### Application Requirements

An application for permit must be accompanied by a written urban context report documenting the key planning influences on the development and how it relates to its surroundings. The urban context report must identify the development opportunities and constraints, and document the effect of the development, as appropriate, in terms of:

- State Planning Policy Framework and the Local Planning Policy Framework, zone and overlay objectives.
- Built form and character of adjacent and nearby buildings.
- Heritage character of adjacent and nearby heritage places.

- Ground floor street frontages, including visual impacts and pedestrian safety.
- Microclimate, including sunlight, daylight and wind effects on streets and other public spaces.
- Energy efficiency and waste management.
- Public infrastructure, including reticulated services, traffic and car parking impact.

An application to construct a building or to construct or carry out works must include, as appropriate, upgrading of adjacent footpaths or laneways to the satisfaction of the responsible authority.

An application for a permit to construct or carry out works for development of a building listed in the Heritage Overlay must be accompanied by a conservation analysis and management plan in accordance with the principles of the Australian ICOMOS Charter for the Conservation of Places of Cultural Significance 1992 (The Burra Charter) to the satisfaction of the responsible authority.

### **Exemption from notice and review**

An application to construct a building or construct or carry out works is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act.

### **Decision guidelines**

Before deciding on a permit application under this schedule the responsible authority must consider, as appropriate:

- The State Planning Policy Framework and the Local Planning Policy Framework, including the Municipal Strategic Statement and local planning policies.
- The comments and requirements of relevant authorities.
- The movement of pedestrians and cyclists, and vehicles providing for supplies, waste removal, emergency services and public transport.
- The provision of car parking, loading of vehicles and access to parking spaces and loading bays.
- The adequacy of entrance to and egress from the site.
- The existing and future use and amenity of the land and the locality.
- The location, area, dimensions and suitability of use of land proposed for public use.
- The provision of landscaping.
- The effect of the proposed works on solar access to existing open spaces and public places.
- The provision of solar access to private open space areas in residential development.
- The responsibility for the maintenance of buildings, landscaping and paved areas.
- The impact a new development will have on the amenity of existing dwellings on adjacent sites and how this impact has been minimised.
- The incorporation of design measures to attenuate against noise associated with the operation of other businesses and activities, including limiting internal noise levels of new habitable rooms to a maximum of 45 dB in accordance with relevant Australian Standards for acoustic control, for new and refurbished residential developments and other sensitive uses.

- Whether the provision of storage for refuse and recyclable material provided off-street is fully screened from public areas.
- Whether the first five levels of buildings are developed with a “casing” of dwellings or offices or other active uses so that a visual relationship between occupants of upper floors and pedestrians is able to be established and better surveillance of the street is achieved.

### Demolition or Removal of Buildings

A permit and prior approval for the redevelopment of the site are required to demolish or remove a building or works.

This does not include:

- Demolition or removal of temporary structures.
- Demolition ordered or undertaken by the responsible authority in accordance with the relevant legislation and/or local law.

Before deciding on an application to demolish or remove a building, the responsible authority may require an agreement pursuant to Section 173 of the Planning and Environment Act 1987 between the landowner and the responsible authority requiring, as appropriate:

- Temporary works on the vacant site should it remain vacant for 6 months after completion of the demolition.
- Temporary works on the vacant site where demolition or construction activity has ceased for 6 months, or an aggregate of 6 months, after commencement of the construction.

Temporary works must be constructed to the satisfaction of the responsible authority. Temporary works may include:

- The construction of temporary buildings for short-term retail or commercial use. Such structures shall include the provision of an active street frontage.
- Landscaping of the site for the purpose of public recreation and open space.

### Exemption from notice and review

An application to demolish or remove a building or works is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act.
