Buildings and works

Prohibitions

The construction of buildings and works which would cast a shadow across the south bank of the Yarra River between 11.00 am and 2.00 pm on 22 June is prohibited.

This does not apply to buildings and works on land between Flinders Street, Collins Street, Aurora Lane, and the Rail Reserve.

Permit requirement

A permit is not required for the following:

- The construction, or modification, of a waste pipe, flue, vent, duct, exhaust fan, air conditioning plant, lift motor room, skylight, security camera, street heater or similar minor works provided they are to the satisfaction of the responsible authority.
- A modification to the shop front window or entranceway of a building to the satisfaction of the responsible authority having regard to the architectural character of the building.
- An addition or modification to a verandah, awning, sunblind or canopy of a building to the satisfaction of the responsible authority.
- The painting, plastering and external finishing of a building or works to the satisfaction of the responsible authority.
- Changes to glazing of existing windows to not more than 15% reflectivity or to the satisfaction of the Responsible Authority.
- External works to provide disabled access that complies with all legislative requirements to the satisfaction of the responsible authority.
- Buildings or works for Railway purposes or carried out on behalf of the transport public land manager within the confines of the railway reserve.
- Buildings or works for road purposes or carried out on behalf of the roads authority and within the confines of the arterial road - Wurundjeri Way.

Exemption from notice and appeal

An application to construct a building or construct or carry out works or demolish or remove a building or works is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act.

Decision guidelines

Before deciding on an application, in addition to the decision guidelines in Clause 65, the responsible authority must consider, as appropriate:

- The siting and design quality of all buildings and works and their suitability for the use proposed in the context of the adjacent area.
- Provision of site landscaping in the context of adjacent areas.
- Effect on the visual amenity, landscape and streetscape of the area.
- Impact on the importance, character and appearance of any building, area or place of scientific, aesthetic, architectural, or historical importance.
- Where new buildings incorporate dwellings, the design should respect and anticipate the development potential of adjacent sites, to ensure that the future development of the adjacent sites does not cause a significant loss of amenity to the subject site.

- For residential development, ensure appropriate noise attenuation measures are adopted to limit internal and external noise to appropriate levels.
- The design and treatment of the public realm including the solar access to existing open spaces.
- The wind effects of the proposed development at ground level
- Any overshadowing on the south bank of the Yarra from a building built between Flinders Street, Collins Street, Aurora Lane, and the Rail Reserve. Any new building should minimise as much as practical the effect on the amenity of the Yarra River corridor.

Advertising signs

Advertising Signs within the confines of the arterial road - Wurundjeri Way.

Advertising sign controls are at Clause 52.05. A permit is required to display a sign over the road formation or over land within 600 millimetres of the road formation. For other land in this zone, the category of advertising control which applies is the category which applies to the adjoining zone nearest to the land. If land is equidistant from two or more adjoining zones, the least restrictive category applies.

Advertising signs for all other areas

A permit is required to erect an advertising sign, except for:

- Advertising signs exempted by Clause 52.05-4.
- An under-verandah business sign if:
 - It does not exceed 2.5 metres measured horizontally, 0.5 metres vertically and 0.3 metres between the faces of the sign;
 - It is located between 2.7 metres and 3.5 metres above ground level and perpendicular to the building façade;
 - It does not contain any animation or intermittent lighting; and
 - It meets the Docklands Signage Guidelines to the satisfaction of the responsible authority.
- A ground floor business sign cantilevered from a building if:
 - It does not exceed 0.84 metres measured horizontally, 0.61 metres vertically and 0.3 metres between the faces of the sign;
 - It is located between 2.7 metres and 3.5 metres above ground level and perpendicular to the building facade;
 - It does not contain any animation or intermittent lighting; and
 - It meets the Docklands Signage Guidelines to the satisfaction of the responsible authority.
- A window display.
- A non-illuminated sign on a verandah fascia, provided no part of the sign protrudes above or below the fascia.

- Renewal or replacement of an existing internally illuminated business identification sign.

Exemption from notice and appeal

An application to erect or construct or carry out works for an advertising sign, is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act.
