The positioning of horse stables and horse wash down areas which minimise the likelihood of odours and water spray travelling to neighbouring properties (e.g. consideration of prevailing winds).

**Exemptions from notice and review**
An application for construction of a building or to construct or carry out works is exempt from the notice requirements of Section 52(1)(a), (b) and (d), the decision requirements of Section 64(1), (2) and (3) and the review rights of Section 82(1) of the Act.
