C39**SCHEDULE TO THE EROSION MANAGEMENT OVERLAY**Shown on the planning scheme map as **EMO****1.0**22/10/2009  
C39**Permit requirement****Permit exemptions**

No planning permit is required for:

- Any agricultural development or activity, including cultivation, dam, fencing, water tanks and water bores
- A minor utility installation
- Power lines of less than 220,000 volts
- Low impact telecommunications infrastructure or facility
- Any buildings, works or removal, destruction or lopping of any vegetation by any government department, public authority or Mitchell Shire Council for the purposes of any public or local government utility, service, facility, stream improvement or other works
- The carrying out of any works required by or approved by the Department of Sustainability and Environment, a water authority, a Catchment Management Authority or the responsible authority for conservation purposes, including prevention of soil erosion, regulation of water flow in a watercourse, construction or redirection of a watercourse, or regulation of flooding
- Development of an outbuilding of less than 120m<sup>2</sup> in floor area (and where the total floor area of all outbuildings does not exceed 200m<sup>2</sup>), the slope of the land is less than 15 percent, no removal of native trees or shrubs is required, earthworks are less than 2,000 square metres and the development site is not within 100 metres of a waterway, to the satisfaction of the responsible authority
- Any alterations or additions to an existing dwelling or outbuilding, provided the proposed building is not within 100 metres of a waterway, the slope of the land is less than 15 percent, the proposed floor area is not greater than 100 percent of the existing floor area, there is no increase in building height, all external building materials are of non-reflective materials, no removal of native trees or shrubs is required, and earthworks are less than 2,000 square metres, to the satisfaction of the responsible authority
- Any sign
- A swimming pool associated with a dwelling
- Extensions or alterations to existing caravans, annexes and on site cabins used in conjunction with an existing 'camping and caravan park'
- Works associated with timber production
- Any development or works in accordance with any approved management plan adopted by the responsible authority or the Department of Sustainability and Environment
- Removal, destruction or lopping of dead vegetation, exotic vegetation or native vegetation if seedlings or regrowth are less than 10 years old and the land is being re-established or maintained for cultivation or pasture, the minimum extent of native vegetation necessary for the construction, operation or maintenance of a fence, or the removal, destruction or lopping of native vegetation as a result of grazing domestic stock or moving stock along a road

No planning permit is required to develop or to construct or carry out work to construct, use or maintain the Broadford Water Supply Project in accordance with an approved Project Impact Assessment and environmental management plan and native vegetation offset plan.

No planning permit is required to remove, destroy or lop any vegetation to the minimum extent necessary to construct, use or maintain the Broadford Water Supply Project, in accordance with an approved Project Impact Assessment, environmental management plan and native vegetation offset plan.
