An application to construct a building or construct or carry out works or an application to amend a permit does not have to be referred to the floodplain management authority if the application:

- Is accompanied by the relevant floodplain management authority's written approval. The written approval must:
  - Be granted not more than three months prior to lodging with the responsible authority.
  - Quote the reference number of the approved plans.
  - State applicable flood level and any required flood levels.
- Is in accordance with an adopted local floodplain development plan.
