

Diversified economy - Metropolitan Melbourne**Strategies**

Support the Central City to become Australia's largest commercial and residential centre by 2050, by planning for office, retail, residential, education, health, entertainment and cultural activity spaces.

Plan for the redevelopment of Major Urban-Renewal Precincts in and around the Central City to deliver high-quality, distinct and diverse neighbourhoods offering a mix of uses.

Facilitate the development of National Employment and Innovation Clusters by ensuring they:

- Have a high level of amenity to attract businesses and workers.
- Are supported by good public transport services and integrated walking and cycling paths.
- Maximise investment opportunities for the location of knowledge intensive firms and jobs.

Support the employment and servicing role of Health and Education Precincts by:

- Focussing on improving access, particularly public transport access.
- Encouraging co-location of facilities to better utilise existing infrastructure.
- Supporting and facilitating growth of associated businesses and industries.
- Reinforcing their specialised economic functions while also providing opportunities for ancillary retail, commercial, accommodation and supporting services.

Plan for industrial land in suitable locations to support employment and investment opportunities.

Facilitate investment in Melbourne's outer areas to increase local access to employment.
