Out-of-centre development

Objective
To manage out-of-centre development.

Strategies
Discourage proposals for expansion of single use retail, commercial and recreational facilities outside activity centres.

Give preference to locations in or on the border of an activity centre for expansion of single use retail, commercial and recreational facilities.

Discourage large sports and entertainment facilities of metropolitan, state or national significance in out-of-centre locations unless they are on the Principal Public Transport Network and in locations that are highly accessible to their catchment of users.

Ensure that out-of-centre proposals are only considered where the proposed use or development is of net benefit to the community in the region served by the proposal or provides small scale shopping opportunities that meet the needs of local residents and workers in convenient locations.
