

WHAT DOES THIS PLANNING SCHEME CONSIST OF?

This planning scheme consists of this document, any maps specified in the schedule to this clause, and any document incorporated in the scheme in accordance with the Act. A document is not incorporated in this scheme by reason only that it is referred to in the scheme.

This document consists of State standard provisions and local provisions. Local provisions are:

- If included in this planning scheme:
 - Clause 02 (Municipal Planning Strategy).
 - Clause 21 (Municipal Strategic Statement).
 - Clause 22 (Local Planning Policies).
- All clauses in the Planning Policy Framework that include the letter 'L' in the clause number.
- All schedules to zones, overlays, particular provisions, general provisions and operational provisions.

All other provisions are State standard provisions.

Maps specified in the schedule to this clause show how land is zoned and whether land is affected by an overlay. This information is indicated by a letter and/or number code that is explained on each map.

Note: A clause numbered '11.01-1L' would be an example of a local provision in the Planning Policy Framework. 'CIZ' is an example of a code on a map that may be specified in the schedule to this clause. It stands for 'Commercial 1 Zone'.
