

**MUNICIPAL STRATEGIC STATEMENT**

The Municipal Strategic Statement has been developed as the overall land use strategy for the City of Whitehorse. The Statement is to be read in conjunction with Council's Council Plan which provides the overall corporate direction for the municipality.

**Clause 21.01**

Provides a brief profile of the municipality.

**Clause 21.02**

Identifies three strategic issues that need to be addressed arising from this profile. These three issues are listed in accordance with their classification in the State Planning Policy Framework (SPPF) – Environment; Settlement (Housing); and Economic Development.

**Clause 21.03**

Contains the vision for the City based on the Council Plan.

**Clause 21.04**

Identifies how the three key issues are addressed in the remainder of the Statement (at Clauses 21.05; 21.06; 21.07) as follows:

<i>Overview:</i>	a brief overview of the topic area.
<i>Key Strategic Issues:</i>	a summary of the key issues facing the municipality in regard to the specific land use consideration.
<i>Objectives:</i>	the general aims or ambitions for the future.
<i>Strategies:</i>	the ways in which the current situation will be moved towards its desired future to meet the objectives.
<i>Implementation:</i>	the means by which the strategies will be implemented.
<i>Further Strategic Work:</i>	a Council work program for future research.
<i>Reference Documents:</i>	a list of reports, strategies, and documents that contain relevant background research, recommendations and actions.

In addition, these issues are represented on the **Strategic Framework Plan**.
