**The Community Infrastructure Levy (CIL) payable under this Development Contributions Plan (DCP)**

Section 46L of the *Planning and Environment Act 1987* sets the maximum CIL amount that can be collected under an approved DCP

If the maximum amount of the CIL which may be collected under an approved DCP is varied under section 46L of the *Planning and Environment Act 1987*, the collecting agency may adjust the amount of the CIL payable under this DCP in accordance with section 46L of the *Planning and Environment Act 1987*.

If the collecting agency adjusts the amount of the CIL payment under this DCP, the collecting agency will publish the adjusted amount of the CIL payable under this DCP on its website.

**4.0 Development in excess of 15 dwellings per hectare.**

31/07/2008  
C106

For residential developments where the density is greater than 15 dwellings per net developable hectare as defined in Section 10 of this Schedule, and where communal open space and indoor recreation areas are provided in accordance with a development contributions plan for the locality, the “community” and “other development” infrastructure will be limited to \$11,730.75 and \$14,055.90 respectively, per net developable hectare.

**5.0 Indexation**

09/11/2017  
GC75

All development infrastructure contributions stated in dollar values in this Schedule are to be indexed in line with the Commonwealth Statistician’s Consumer Price Index (All Groups) for Melbourne (CPI) from the September quarter, 2007, unless otherwise stated.

**6.0 Provision of land for major road reservations or widening**

31/07/2008  
C106

For each property where land is required for road widening or a road reservation, the first component of its development contributions for roads shall be the land contribution from this property unless the Responsible Authority agrees to an alternative. This plan includes provision to fund land acquisition for road widening from contributions under this Development Contributions Plan Overlay at the value of \$511,074.92 per hectare, plus indexation as in Section 5.0. Affected landowners will be credited that value of land transferred to Responsible Authority for road widening at the rate of \$511,074.92 per

hectare, plus indexation as in Section 5.0, which is the rate that was used when determining the level of development contributions for the plan area.

**8.0 Public Open Space contribution**

31/07/2008  
C106

A total public open space contribution of 7.5% is required of the gross developable area of a residential development site in accordance with the *Tarneit West Development Contributions Plan and the Outline Development Plan 2008*.

**9.0 Land or development excluded from development contributions plan**

31/07/2008  
C106

The following buildings and works are exempt from the provisions of this overlay:

- Public schools;
- Construction of one dwelling, including outbuildings, on an existing lot provided it is the only dwelling on the lot.
- Any buildings or works in association with the use of the land for agricultural purposes.
- A fence.
- Minor extensions, additions or modifications to any existing development.

*Note: This schedule sets out a summary of the costs and contributions prescribed in the Tarneit West Development Contributions Plan incorporated document. Refer to this document for full details.*
