13/6/2014
C134

The following decision guidelines apply to an application for a permit under clause 32.09, in addition to those specified in clause 32.09 and elsewhere in the scheme:

- The development or subdivision is of a scale and size consistent with the unique character and special features of the rural townships and foothills areas.
- Subdivision and development should be less dense than that which occurs within the General Residential Zone or the Neighbourhood Residential Zone Schedules 1 and 2.
- Subdivision and development should minimise site coverage and maintains natural and established vegetation cover.
